

2019 Magnum Rally

15th to 17th August 2019

Fellow enthusiast,

This year the Magnum Rally turns 40!

The first Magnum Rally was held in August 1979. The event started on a Thursday at the Eastgate Shopping Mall Bruma area and travelled via Bethal, Hendrina and Carolina to Nelspruit where the event overnights at the Shonalanga Hotel. The Friday was a free day and on Saturday the route took the competitors back to Eastgate. The first few Magnum events were generously sponsored by Magnum Airlines (the precursor to the current SA Air Link) – to such an extent that the event was able to build-up a reserve fund, which is currently held in trust by the POMC and is used to fund shortfalls in organising cost.

The first Magnum's were only open to Motorcycles and three wheelers manufactured on or before 31st December 1960.

To celebrate the 40th Magnum rally all entries with vehicles manufactured before 31st December 1960 will only pay half entry fee! For Motorcycles this will be funded out of the reserve funds for the Magnum while for Motorcars the POMC have made available an amount to cover the cost.

This year the event will again be held in the Mpumalanga area.

- Organised by the Pretoria Old Motor Club, you will experience magnificent scenery and enjoy some of the most beautiful mountain passes in the country. Special care has been taken to select the better roads in the area with cognisance of the prevailing traffic.
- Aside from the on-road experience, this three-day spider rally is hosted by fellow motoring enthusiast, Willem Fick, at his fabulous Hotel Numbi and Garden Suites, where he ensures that we receive the best accommodation, cuisine and service at the most unbelievably good rates
- Everyone on the event shares in the atmosphere of a fantastic rally, fun, camaraderie, good food and accommodation. This is an event not to be missed
- All vehicles manufactured before 31st December 1997 are eligible and we extend this invitation to you to join us on this special event.
- Accommodation is limited, so avoid disappointment and get your entry in as soon as possible

Below is the provisional program:
